

Privacy Policy

Last Updated: June 15, 2026

Introduction

This Privacy Policy describes how we collect, use, disclose, and safeguard information when you use any of our mobile applications, websites, products, or related services ("Services").

By using our Services, you agree to the collection and use of information in accordance with this Privacy Policy.

Information We Collect

Depending on the features available within a particular Service, we may collect:

Information You Provide

- Email address
- Account information
- Customer support communications
- Information voluntarily submitted through the Services

Information Collected Automatically

- Device information
- Operating system information
- Application version
- Usage statistics
- Diagnostic and crash data
- IP address and approximate location information where applicable

How We Use Information

We may use collected information to:

- Provide and maintain our Services
- Improve functionality and user experience
- Respond to inquiries and support requests

- Monitor performance and security
- Prevent fraud, abuse, and unauthorized access
- Comply with legal obligations

Analytics and Third-Party Services

Our Services may use third-party analytics, cloud storage, authentication, advertising, artificial intelligence, payment processing, or notification providers.

These providers may process information as necessary to perform services on our behalf and according to their own privacy policies.

Purchases and Payments

Where applicable, purchases may be processed through Apple App Store, Google Play, Paddle, Stripe, or other authorized payment providers.

We do not store full payment card information.

Data Sharing

We do not sell personal information.

Information may be shared:

- With service providers assisting in operation of the Services
- To comply with legal requirements
- To protect our rights, property, or safety
- In connection with a merger, acquisition, or transfer of assets

Data Retention

Information is retained only as long as reasonably necessary for business, legal, security, and operational purposes.

Data Security

We implement reasonable administrative, technical, and physical safeguards designed to protect information.

However, no electronic transmission or storage system can be guaranteed to be completely secure.

Children's Privacy

Our Services are not intended for children under 13 years of age unless explicitly stated otherwise.

We do not knowingly collect personal information from children under 13.

International Users

Information may be processed and stored in countries other than your own. By using our Services, you consent to such transfers where permitted by law.

Your Rights

Depending on your location, you may have rights regarding your personal information, including:

- Access
- Correction
- Deletion
- Restriction of processing
- Data portability
- Objection to processing

Requests may be submitted using the contact information below.

Changes to This Privacy Policy

We may update this Privacy Policy from time to time. Updated versions will be posted on this page with a revised effective date.

Continued use of the Services after changes become effective constitutes acceptance of the revised Privacy Policy.
